

# 3rd Year Christmas Study

Dear Third year student,

You will have 2 weeks over Christmas to get a lot of study and revision done. Take a few days break over Christmas and then plan to do study and revision of 1<sup>st</sup> & 2<sup>nd</sup> year work the second week in preparation for the mocks.

- Use a timetable and study as if you were in school :9-11, 11.15-1, 2-4pm
- Be wise – get up early and get down to it. You will feel great once you have done it.
- No distractions – quiet space - no phone, computer etc.....don't fool yourself.

## **Studying – One hour per subject**

- Decide on the section of the course you are going to work on
- Spend 25 mins learning/ reading notes.
- Close the books
- Do an exam question ( or questions from the end of the chapter) on what you have studied. – Remember time yourself – use the time you will have in the exam to answer the question.
- Open the book and check how you did. Correct it.

## **You must:**

1. Learn the material
2. Test yourself to see if you can remember/understand it
3. Practice exam questions in the time you will have in the exam.
4. Write neatly and label all work clearly.

Just do it!

Guidance and Counselling 2020

## When doing exam question practice check the following:

- I answered the specific question
- My writing was easy to read & I labelled the work clearly
- I only used the time I will have in the exam to answer the question
- I was able to complete all questions
- I corrected mistakes at the end and added extra information where needed

<u>Subject</u>	<u>What went well</u>	<u>What needs improvement</u>	<u>Plan</u>

**STUDY PLANNER Christmas**

Name.....

**When studying, work as if you are in school 9-4 each day.**

**REMEMBER: NO PHONE, NO COMPUTER, NO MUSIC**

- **Have a quiet, clear space.**
- **Test yourself in each study block.**

**Bring home your books, notes and exam papers.**
