### Golf Ireland Schools Championships 2022 - Leinster Regional Qualifying

**Entries for the Golf Ireland Irish Schools Championships for Boys and Girls are now open.**

#### Irish School Girls Senior Championship and Irish School Girls Junior Championship

A change this year with the aim of increasing participation, allows the same players who enter the Irish School Girls Senior Championship also enter the Girls Junior Championship assuming they meet the eligibility criteria. Also, to assist in the promotion of girl's golf nationally, a concurrent individual event will be run for girls where schools cannot make up a team of two, this applies to both Junior and Senior Girls schools competitions. This does not apply for the Boys events.
