

April 25th 2024

Dear Parents and Guardians,

Below is information regarding the school uniform which is compulsory for all incoming Transition Year students (2024/25). It includes several changes from the senior uniform that has been worn up to this date. These changes made to our school uniform and school PE uniform are in response to a consultation process involving parents, students and teachers, which included surveys and focus groups.

As has been the case until now, all students in our school must purchase and wear a school jacket. Only the school jacket is permitted to be worn in the school building and in class. No other jackets/coats/hoodies are permitted to be worn at any time in the school building. A new school jacket is also being introduced for the school year 2024/25 which is **compulsory for all students who do not currently own a school jacket**. Students can choose between two crested school jackets or a crested school gilet.

The full school uniform, PE uniform and jackets/gilet are available for purchase in Q&M Casuals in Main Street, Clane. 045 892485

The school half zips, polo shirt, jackets/gilet and leggings/tracksuit bottoms are also available online on the DS Sports website at the following link: [Scoil Mhuire Clane | Irish Sportswear & Sporting Equipment \(dssports.ie\)](https://www.dssports.ie)
