

School Reopening

Dear Parents/Guardians,

The DES issued a plan for the reopening of schools last week.

Phase 1 - Special classes opened last Monday 22nd of February 2021.

Phase 2 - Leaving Certificate classes tomorrow Monday 1st of March 2021

Planning for Phase 3 will continue about the return of the next priority group – 5th years during March with reference to public health. Hopefully that will be Monday 15th March.

All remaining year groups will return Monday 12th April. It should be noted that if the public health environment allows, then full re-opening of post-primary schools may occur in advance of the implementation of any other phases.

We welcome back 6th years to school tomorrow and will help them prepare for their Leaving Certificate in June.

All other students must continue with their learning online. I know this is difficult but at least we now know when all students should be back in school, so please encourage your son/daughter to continue engaging with their classes and school work.

I would like to thank you for your support during this challenging time and look forward to seeing all our students back in school very soon.

Kind regards

Padraig Nolan

Principal, Sec BOM
