

Baking Competition Winners!

With our school having to re-adapt once more to online classes at the start of 2021, the Yearbook Committee released a home baking competition during January which had two categories, one for the Senior students (TY, 5th and 6th Years) and another for the Junior students (1st, 2nd and 3rd Years). The winners prizes, a €20 One4All voucher, can be collected from the school office next week. These are some of the best entries we received, and you will find a wider selection in the school Yearbook later in the year. Many thanks to all that entered.

Junior Category winner:

Amanda Andreikeviciute

Junior Category Honorable mentions:

Lisa Manning
