- Students in 1st, 2nd, 3rd, TY, 5th and LCA will have a period of assessment at the end of the year.
- All the dates and times are shown in the timetable.
- Students will follow their normal timetable. This means students will go to their normal classrooms.
- The only difference to the student's timetable is that at designated times they will sit a one-hour classroom assessment.
- During a class where an option subject is timetabled which the student does not study this will be a one hour study period.
