

## Mock Examinations - Instructions for Third Year Students

- Students must write in black or blue pen. Red for titles, question numbers, underlining or highlighting a quote etc. - if you wish. Ensure to label all answers with the relevant question/part number. Sketching or drawing should be in pencil. Ensure to bring your own calculator and stationery.
- Students are not allowed leave their exam centre for the first hour of their exam or for the last half hour of the exam. This is in line with state exam regulations in exam centres.
- No school bags or food in exam centres.
- Students should study for their exam if allocated study time before. If a student is finished and wishes to study for their next exam this can be accommodated once they hand up their paper.
- There will be a sign out sheet for students wishing to use the toilet during exams. Only one boy and one girl will be permitted out of a centre at one time.
