

Dear Parents/Guardians,

As we begin a new period of Covid-19 lock down guidelines, I am writing to wish you and your families well over these next 6 weeks. I would like to thank you and the students for the support and cooperation we have received in the school since we reopened in August. School has changed a lot but at least we have had a safe reopening. It is not easy wearing a mask in class all day, but the students have been excellent at adopting and following the new guidelines.

Thankfully the schools are remaining open as the country enters level 5 and another lock down. We all want to keep the school open and operating as fully as possible. We will continue to work hard at keeping the school a safe place. So far there have been no Covid-19 cases in the school. If we all work together following the guidelines, hopefully we can continue to have no Covid-19 cases in the school.

The November assessments will take place after the mid-term. I would encourage students to do a little revision for them over the mid-term.

Meanwhile enjoy the break from school

Kind regards

Padraig Nolan
